Apocalypse Never is an exceptionally readable and powerful book which has been
endorsed by leaders in the movement to abolish nuclear weapons including
Joseph Cirincione, Michael Douglas and Daniel Ellsberg.

Lt. Gen. Robert G. Gard, Jr. writes on ***Apocalypse Never***, ***“it makes a compelling
case that the continued existence of nuclear weapons, regardless of their
ownership, can lead to catastrophic disasters.”***

John Podesta writes, ***“Tad Daley doesn’t just look at why we should strive to
eliminate nuclear weapons, he demonstrates how to make it happen.”***

Copies of the book will be available for \$23 and signed by Tad at the event.
Co-sponsoring organizations may also display literature.
